Houston Dog Ranch Dog Daycare and Training Announces its Opening May 1st

Houston, TX – April 15, 2007 – Houston Dog Ranch is scheduled to open its brand new dog daycare and training center in the Spring Branch area of Houston on May 1, 2007.

[Dog Daycare](#) is an off-leash environment where dogs socialize, play and exercise with other dogs. However, at Houston Dog Ranch it's much more. Dogs play, run and swim for hours both indoors and outdoors in a safe environment supervised by a trained staff of caring dog lovers. Dog Daycare offers an opportunity for dogs to benefit from social interaction while their owners are at work.

Houston Dog Ranch's services include dog daycare, dog training, bathing, and boarding. The ranch features 2 acres of outdoor "romping" grounds; a 1200 square foot climate controlled indoor playroom, a 38-foot bone-shaped swimming pool, two deluxe guest rooms, and a convenient retail area.

"We have created a safe and fun environment where the focus is not only on the happiness of dogs, but also on enhancing the human-dog relationship," said Tonia Whilden, owner and operator of Houston Dog Ranch. The facility is expected to be a great success as well as the area's go-to resource for premier dog daycare and training.

Houston Dog Ranch is a superior dog daycare, training, and boarding facility. It is located at 9602 Dalecrest Dr., Houston, TX 77080 and operating hours are T, W, Th 7:30AM-6:00PM and M, W by appointment only.
